

# Balsall Common Village Hall Forecourt

As well as the Main Village hall the forecourt is also available for hire, fronting on to the busy Station Road

It is used each Saturday morning for an open air market by Country Markets. It has also been used very successfully by "I Love Crepes" for a pop up Crepe store. Hook up facilities are available from the Hall. For more details about hiring the Village Hall Forecourt please either email [enquiries@balsallcommonvillagehall.org.uk](mailto:enquiries@balsallcommonvillagehall.org.uk) or telephone 01676 533315.

See the photographs below.

Tuesdays 7<sup>th</sup> July and 4<sup>th</sup> August  
"I love Crepes hired the forecourt from 2:30pm until 7:30 pm. There was queue of customers all of the time.

## Country Markets

For many years the Country Markets have hired the Village Hall for their weekly Saturday Market. Because the Hall is not currently available they are using the forecourt to provide an open air market which is permissible under the current Covid-19 restrictions.
